Flipbook Animation Competition

 SCHOLASTIC

Every great book needs an author and **an illustrator! This year's competition will give students the opportunity to use the elements of a story and their creativity to become **story illustrators.** First, choose an animal from above or any animal you like. Then, create a flip book animation telling the story of the animal. You can use a sticky notepad, index cards or paper to create your book. For details on how to make a flip book, visit these sites:**
